Dear Eric and everyone at the Guildford Lions,

Thank you all very much for your generous £10,500 donation to Oakleaf, raised through the Fireworks Fiesta event.

Oakleaf strives to make a positive impact on hundreds of individuals in the Surrey community each year who are struggling with mental ill-health, and donations like yours are what make our work possible.

This donation will help ensure will make a huge difference for our counselling services. Our counselling service is in high demand and a critical support for Oakleaf clients. Delivered across six days per week providing interventions for those with high need and challenging historical issues, providing evidence-based and accessible counselling to many who would not otherwise have access to this support.

For example, £10,000 could fund four experienced qualified counsellors to deliver approximately 240 sessions in blocks of six, providing crucial counselling some of the most vulnerable Oakleaf clients facing particularly severe or challenging mental ill-health.

Please pass on our sincere thanks and gratitude to all involved in this fundraising, for their hard work and support in raising such a fantastic amount for local mental health services.

Best wishes,
