Guildford's Best Kept Secret!

Friends' and Supporters' News

September 2025

President's News

At the beginning of August Wendy and I, along with a few fellow Lions and partners, enjoyed (is that the right word?) a couple of days in the heat and dust - and was it dusty! – marshalling car parking at the *Live at Loseley* music event. The proceeds of our labours were in support of the St Luke's Fountain Centre and a goodly amount was raised, so time well spent.

On 20th August we enjoyed the summer picnic when Past President Paul officially handed over the Presidential regalia to me.

On Bank Holiday Monday a few of us gave Leatherhead Lions a hand on their side stalls at their summer fair for a couple of hours. Good to be able to help out. A nice day out and some ideas for our fayre next year.

Community & Welfare News

Donations made - Guildford Food Bank £399.

Fundraising News

Survival Football

The new session has started and we anticipate a fun challenge.

Fireworks, Saturday 8th November

We are delighted to say everything is now in place for what will be a fabulous evening of music, fireworks and entertainment on Saturday 8th November. Pains Fireworks are committed to putting on another amazing display. We have that truly great band "The Hired Guns" returning after last year's huge success. There will be an even larger range of food and drink outlets, children's entertainment and of course the Fun Fair.

SAG have given us the green light so all we need is a sellout crowd (Early Bird Tickets are on sale now) and plenty of volunteers to ensure the event is a success. If you would like to help during the evening please reply to this email and we will send you further information.
