President's News

When I started to write this I was aware of a yellow disc shaped object in the sky which turned out to be the sun. Remember it? Anyway it's gone now so panic over!

February was another quiet month. However we are building up to our third Classic Car Display on 26th April. The previous two events were brilliant and attracted crowds of admirers of classic cars. And it's a free show for the public. It's amazing how often you'll find yourself thinking "I used to have one of those" or "my grandad had a Rover just like that one". I'm looking forward to it. Looking further forward we're also making preparations for our annual Charity Raft Race.

The 10th July will see our annual Charity Golf day. This time we're supporting Cherry Trees, the East Clandon based charity. An opportunity to get a few mates together and enter a team. So a busy spring and summer calendar of events to look forward to.

More information about these events is on our website where you can, or soon will be able to, apply or enter.

Classic Car Display, High Street, Sunday 26th April

Once again we are holding our popular display in the historic High Street and it being Drive-it-Day it's a chance to give classic cars an airing. The High Street with its backdrop of the Downs, the cobbled setts, the clock above the Guildhall and 80 classic cars on display it promises to be spectacular and is very popular with the public.

With limited space there is no turning up on the day so it is best to register as soon as possible as we already have about 70 cars registered, and others promised.

The High Street will be closed to other traffic and we plan to have a variety of classic cars on display. Pre-1985 (ie tax exempt) cars will be welcome be they veteran, vintage, classic, or other exceptional cars (competition, expedition, super, or hyper cars etc). Register your car via our website

The event is from 10am until 4pm and is based at the Guildhall where there will be light refreshments. Come along and enjoy the event.

Charity Golf Day, Friday 10th July

Planning is progressing well for this event which will raise funds for Cherry Trees. Based in East Clandon Cherry Trees provides home-from-home respite care for children with complex disabilities from across Surrey.

We are looking for more golf players as well as auction and raffle prizes. Please reply to this email if you can help or would like to make up a team or to join one.

Fireworks

Our Fireworks team are planning the 2026 Fireworks to be held on Stoke Park on Saturday 7th November.
