President's News

March was a relatively quiet month for Guildford Lions but the global situation has become quite frightening. The problems in the middle east will make life tougher for all of us. It is up to us to do what we can to help those in our community who will suffer most from the inevitable cost of living increases we are now seeing, so we can't afford to relax our fundraising efforts nor our support of food banks. We can continue our efforts to lift the spirits of our community with cheerful events like the forthcoming Classic Car Display and the Raft Race.

Fundraising News

There is less than a week to go. We have all manner of cars due to be on display, as well as a gazebo from the Shere Hillclimb people, and Team SURTES, who always attract a lot of attention.

The raffle has some great prizes and for the first time we will have an autojumble. I have been decluttering my collection of motoring *objet d'art* and hope to have images, posters, books, magazines etc available to anyone who is interested in taking them - for a donation to Club funds.

Over the last two years the event has increased in popularity, so let's make it the best yet.
